FAST DELIVERY.

What would it cost your company to be shut down for a day? Two days? A week? Who would you turn to if you had a transformer failure today? The answer is Alfa Transformer.

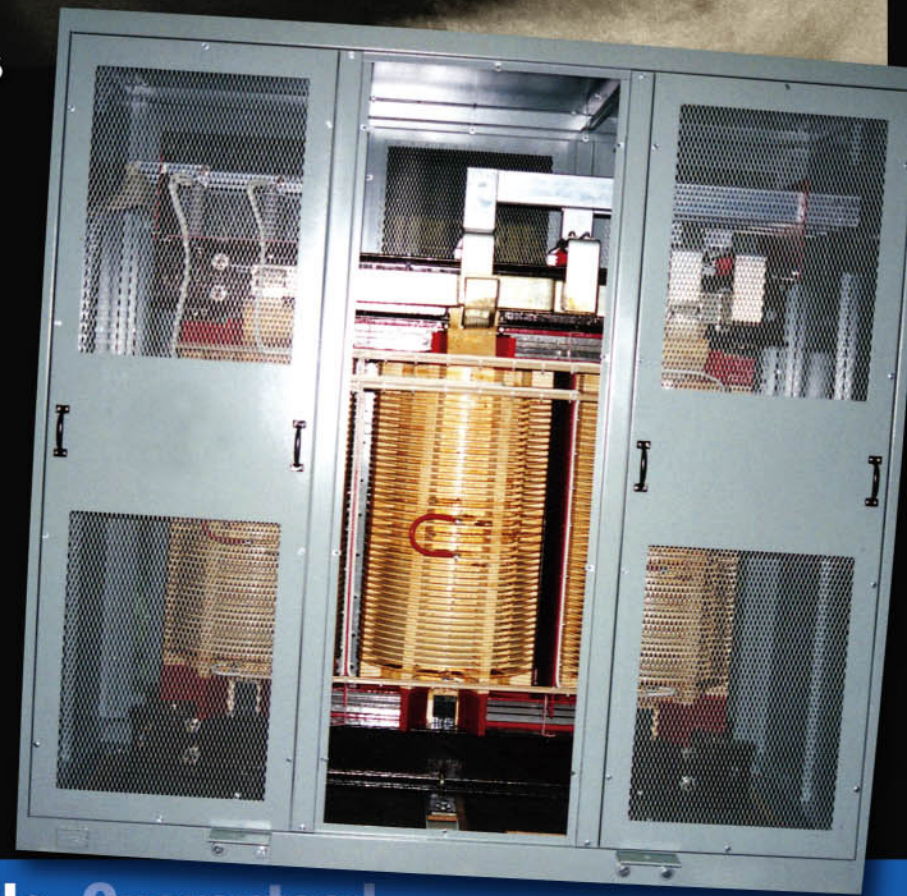

Alfa Transformer has helped customers like Weyerhaeuser, Texaco, Entergy, Pfizer, the Federal Aviation Administration, Arkansas Children's Hospital, and CED to handle hundreds of critical electrical emergencies.

Because of our "around-the-clock" response and commitment to our customers, Alfa Transformer has become a preferred vendor for companies like yours...major manufacturers, small businesses, electrical suppliers, electrical contractors and utilities.
